

## 2 Berth Tempo

The light ash furniture blends with the burgundy colour scheme. The bed is so simple in the Tempo, and it converts into a double bed effortlessly. The 2 berth Tempo is a high specification vehicle, long on space, comfort and style.

The extra length of the medium wheel space Boxer chassis allows the fitting of a shower compartment as big as any in a coach built model.

The nearside forward facing seats slide forward; while the offside bench seat slides across the vehicle. With almost a single movement and with an ingenious locking device to keep it in place once it's back to a seat again.

With a stainless steel two burner hob and grill cooker, oven, sink and drainer, Tempo's kitchen caters equally well for the cordon bleu or casual cook. There is a big RM4207 Electrolux fridge, and masses of work top space.

The washroom has room to shower in comfort, it has a moulded wash basin, vanity unit and storage trays, together with cassette toilet. For light and fresh air, an opening window is standard. Hot water is on stream for both the shower and the kitchen.

There is a place for everything, Tempo's storage capacity has to be seen to be believed, there are cupboards, lockers galore and a very generous wardrobe with storage below. There is a separate cocktail cabinet and crockery cupboard.

The Tempo also has double glazing with fly screens, blinds, and curtains fitted all round.
